

# 350kW energy storage cabinet for drilling sites distributor

48V 100Ah

## 350kW energy storage cabinet for drilling sites distributor

---

### [350kW Energy Storage Container for Drilling Sites Distributor](#)

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS are quickly

### 250 to 1000 kWh usable stored energy

Versatile energy storage for commercial and industrial applications. The demand for power, and variation in the demand, continues to increase due to end-user loads and electrification, including the

### Energy Storage

Based on 2 standard cabinets, SUNSYS HES L enables more than 30 U certified configurations, providing ideal sizing for a variety of projects. Standard configurations simplify the design, quotation,

## Energy Storage Solutions for ESS Suppliers & Distributors

We create innovative supply chain solutions for suppliers and distributors of energy storage systems (ESS) in the residential, commercial and utilities segments.

### 350kw off-grid bess cabinet used at drilling site

350kW outdoor energy storage cabinet for power grid distribution Supporting off-grid and grid use, it cuts energy costs, boosts efficiency, and ensures reliable backup power for industrial and commercial sites.

### Cabinets and racks - KonkaEnergy

KonkaEnergy Cabinets & Racks Collection - Engineered for secure and efficient energy storage, our battery cabinets and racks provide robust solutions for commercial and industrial applications.

### IEB350kWh-Standard BESS & Construction Site Power Backup

IEB350kWh standard battery energy storage system is specially designed for commercial and industrial applications. Featuring a fully liquid-cooled, all in one design, it achieves electrical isolation between

### 420kW / 350kWh full liquid cooled

The bidirectional ACDC power module, PV MPPT DCDC designed for the commercial and industrial

energy storage gng energy stor access interface  
are all integrated in one power cube to improve  
one

## 350kWh C&I Energy Storage Cabinet

The 350kWh All-in-one C&I Energy Storage Cabinet features a highly integrated design with built-in BMS, EMS, and PCS. Supporting off-grid and grid use, it cuts energy costs, boosts efficiency, and
