

Ashtray Photovoltaic Panel

Ashtray Photovoltaic Panel

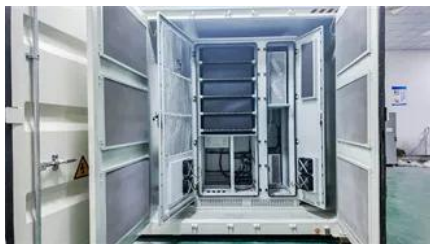

Lighting ashtray apparatus using solar energy

A lighting ashtray apparatus using solar energy relates to a new practical apparatus for smokers.

Lighting ashtray apparatus using solar energy

U.S. patent application number 11/602944 was filed with the patent office on 2007-06-14 for lighting ashtray apparatus using solar energy. Invention is credited to Peixing Deng.

FMS Car Cigarette Ashtray Portable Solar Charging

SOLAR CHARGING -- Solar panel on the ashtray can charge directly from the

Solartech W Series 65W 24V Solar Panel

A reliable, high-voltage power solution for 24V systems, the SolarTech Power SPM065P-WP-F delivers 65W of clean energy with a convenient pre-wired junction box. Featuring 9ft (2743mm) of 18AWG
