

Bahamas Outdoor Power Outage

Overview

BAHAMAS Power and Light (BPL) says about 1,000 customers in eastern New Providence lost supply during Friday night's 'microburst,' with service now restored to all impacted areas. At Bahamas Power and Light, we are committed to providing safe and reliable electricity across The Bahamas. While we aim for uninterrupted service, outages may occasionally occur due to maintenance, weather, or system upgrades. Our crews work around the clock to restore power quickly and safely. Be prepared for possible power . Please see the press release from the Ministry for Grand Bahama. The utility said the hardest-hit communities were re-energised within 24 hours, though one customer in San Souci .
