## Companies are developing flow batteries

---

### Flow Battery Companies

This company overview profiles the startups and innovators in flow battery and covers the features and highlights of their technology.

### Top 132 Startups, developing energy-efficient batteries 2026

EnergyX covers all aspects of the battery supply chain: from lithium extraction from brine, purification and manufacturing to the development of solid-state batteries with high safety and energy

### Made-In-The-US Flow Battery Technology Is Heading To India

The California flow battery startup Quino Energy is continuing to forge new connections in the US while expanding its horizons into India.

### [Top Public Companies Developing Flow Battery Technology in 2025](#)

For investors, companies developing flow batteries represent exposure to the intersection of energy storage and clean-technology transition. Below we review a selection of publicly listed

### Here's the Top 10 List of Flow Battery Companies (2026)

What is a flow battery made of? Who makes flow

### Quino Energy

Quino Energy is a start-up company that is developing water-based flow batteries that store electrical energy in organic molecules called quinones, for commercial and grid applications.

batteries? Check out our blog to learn more about our top 10 picks for flow battery companies.

### Technology Strategy Assessment

With the promise of cheaper, more reliable energy storage, flow batteries are poised to transform the way we power our homes and businesses and usher in a new era of sustainable energy.

### 10 Flow Battery Companies & Startups [2026] , StartUs

Discover 10 emerging flow battery companies and startups to watch in 2026 & find out how their solutions will impact your business!

### Top 7 Flow Battery Companies: Market Share & Analyst Review

Compare the top 7 flow battery leaders. Get VMR Analyst insights on market share, technical scalability, and ROI for utility-scale energy storage solutions.

### Top 10 Companies in the Flow Battery Felt Market (2025): Core

In this blog, we profile the Top 10 Companies in the Flow Battery Felt Industry -specialized carbon manufacturers and material science innovators who are enabling the next

### **Here's the Top 10 List of Flow Battery Companies (2026)**

This company overview profiles the startups and innovators in flow battery and covers the features and highlights of their technology.
