

District Tower Photovoltaic Support Bidding

Overview

Begin your journey by choosing one of two options: register and create a vendor profile in the new eRSP system or re-activate your existing eRSP account. If you're a local vendor, take this opportunity to also explore the City's preference programs designed to support local businesses. Register for extensive access to statewide RFPs, bids and awards throughout California. Reminder: To be automatically notified of relevant City and LA28 procurement opportunities, your RAMP profile MUST have the appropriate NAICS (North American Industry Classification). The County of Orange provides bid and proposal solicitation publishing, notification and electronic processing services through an online bidding system.
