BMS customization supported

The advertisement features three stacks of white, modular solar power storage units on wheels. The units are arranged in three stacks of increasing height, labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. Each unit has a small digital display and control panel on its front. The background shows a house with a solar panel array on the roof. The overall design is clean and professional, highlighting the scalability and communication capabilities of the system.
