## [THERE definition in American English , Collins English Dictionary](#)

You use there in front of certain verbs when you are saying that something exists, develops, or can be seen. Whether the verb is singular or plural depends on the noun which follows the verb.

## THERE , English meaning

We can use there at the start of a clause as a type of indefinite subject. This means that we can put the actual subject at the end of the clause and so give it emphasis or focus (underlined below):

## "Their" vs. "There" vs. "They're":

## What's the Difference?

In this article, we'll explain the meanings of their, there, and they're, how to use each word correctly, and provide example sentences for each term. We'll also give some tips on how to

## THERE Definition & Meaning

Note: Do not confuse there, which has meanings that mostly relate to a literal or abstract location, with the words their and they're. Their has to do with what belongs to or is associated with them (" their
