

Latest News on Photovoltaic Inverter

Overview

During the conference, PVBL announced its annual ranking of the top 20 global solar inverter manufacturers. In 2024, fierce competition hit the photovoltaic manufacturing sector, pushing most enterprises into losses. However, inverter companies bucked the trend, becoming . IT security firm Jakkaru has identified a vulnerability in microinverters from AP Systems that could enable a "kill switch" scenario, potentially shutting down tens of thousands of inverters simultaneously and disrupting grid operations. Chinese power transformer manufacturer TBEA introduced a . Energy Vault enters Japanese market with 850 MW storage portfolio acquisition Energy Vault has entered the Japanese energy market through a binding agreement to acquire an 850 MW pipeline of battery energy storage system (BESS) projects, targeting an increasingly congested and solar curtailed grid. PVTIME - On 10 June 2025, the PVBL 2025 Global Top 100 Solar Brands rankings and the PVBL 2025 Global Solar Brand Influence Report were unveiled at the 10th Century Photovoltaic Conference in Shanghai, China. South Korea rallies to reclaim solar inverter turf, uniting seven makers, incentives, and "strategic tech" status to cut . PV Talk: JP Kock of IPP Encavis discusses why the competitive landscape of Europe's solar market is in store for a shake-up. Federal permitting delays have held up 11GW of new renewable energy deployment in the US in the last year alone, according to Crux.

Solar Power World's Most Recent Solar News Updates

Join us at Solar Power World as we cover the world of solar news on technology, development and installation on a daily basis.

Solar Inverters News and Articles

Find the latest Solar Inverters news and insights in the electronics and technology industries. Visit to learn more.

Latest PV inverter news

Dozens of vulnerabilities in products from three leading makers of solar inverters, Sungrow, Growatt, and SMA, could be exploited to control devices or execute code remotely on the

Solar Inverters News

South Korea rallies to reclaim solar inverter turf, uniting seven makers, incentives, and "strategic tech" status to cut China's grip, boost energy security, and win on quality as storage surges.

2025 Top 20 Global Solar Inverter Brands Revealed by PVBL

In 2024, fierce competition hit the photovoltaic manufacturing sector, pushing most enterprises into losses. However, inverter companies bucked the trend, becoming the industry's

Latest Energy Storage & Battery Technology Updates , ESS News

pv magazine publishes monthly and quarterly magazines in English and German and operates daily industry news channels covering specific markets. With its independent, technology

Photovoltaic Inverters News

Stay up-to-date with the latest Photovoltaic Inverters news: global industry trends, product releases, regulatory updates & more.

Solar industry news, PV buying trends, new projects

Solar industry news: Mounting, inverter, PV module, tracker and energy storage trends; net metering regulation; financing, buying trends and more.

Inverters - pv magazine International

News from the photovoltaic and storage industry: market trends, technological advancements, expert commentary, and more.

PV Tech

The number one source for in-depth and up-to-the-minute news, technical articles, blogs and reviews on the international solar PV supply chain.
