

Leiling Technology solar inverter Manufacturer

✓ 100KWH/215KWH

✓ LIQUID/AIR COOLING

✓ IP54/IP55

✓ BATTERY 6000 CYCLES

Overview

, Ltd located in Huizhou,Guangdong Province, China. As a professional OEM and ODM manufacturer and supplier ,our company focused on the production of solar panels,solar inverters ,solar water pumping inverters ,MPPT charge controller, Gel lead acid . Leiling Technology Co. Products have been widely exported toSoutheast Asia, the Middle East, Africa and other industries. , Ltd is a technology-based company specializing in the research and development, production and sales of new energy products.

Leiling Technology solar inverter Manufacturer

Lei Ling Technology Co., Ltd. Information

Lei Ling Technology Co., Ltd. is a professional manufacturer of solar panel, inverter and storage battery. Founded in 2015, the company has two production bases, covers an area of 100,000 square meters

Company Overview

Leiling Technology Co., Ltd. is a new energy enterprise dedicated to the R&D and manufacturing of solar modules, solar inverters, storage batteries etc.

Leiling Technology Co., Ltd.

Founded in 2015, the company has two production bases, covers an area of 100,000 square meters and employs 200 people, dedicated to providing high-quality products and professional solar solutions.

Lei Ling Technology Co., Ltd. , Huizhou

We manufacture a core range of high-efficiency products, including solar inverters, solar batteries, and specialized solar pumping inverters. <3Beyond hardware, we provide a comprehensive one- stop
