

Lithium Battery Energy Storage Cabinet IP67 purchase Service Delivery Period

Overview

Discover FM & EN certified lithium battery storage cabinets at LithiPlus. Feel free to reach out to us using the following contact information: I authorize LithiPlus to contact me via SMS and phone call at the number provided for information and updates about products and services. Message and data rates may apply. See our Terms & Conditions at . Project features 5 units of HyperStrong's liquid-cooling outdoor cabinets in a 500kW/1164. The "all-in-one" design integrates batteries, BMS, liquid cooling system, heat management system, fire protection system, and modular PCS into a safe, efficient, and flexible . Our HISbatt-233L is a compact turnkey large battery storage solution for all your industrial and commercial project requirements. Integrated with an Off grid/On grid efficient inverter and intelligent HIS energy management system (EMS) can perform single or multiple applications simultaneously. Made with a proprietary 9-layer ChargeGuard™ system that helps minimize potential losses from fire, smoke, and explosions caused by Lithium batteries.
