

Looking for dismantled photovoltaic panels

Overview

At Suntrek, we provide professional solar panel removal and reinstallation services. Our inventory is constantly changing and contains both new and used solar panels. We buy and sell . Solar panels contain heavy metals such as silver, copper, lead, arsenic, cadmium and selenium. Don't throw them away or dump them because they can leach toxic chemicals into the environment. Broken pieces must be cleaned up and properly packaged to minimize the potential escape of hazardous . Finding a responsible solar panel recycler near your job site might seem like the easiest solution, but it is far more important to find a responsible recycler than a simple scrap collection agency that's in a nearby town. Salvex is a prominent global e-commerce platform specializing in the sale of surplus commercial assets. Our team handles every step of the process, ensuring that your .
