ess-solutions - MKC Group of Companies

MKC Group of Companies is an official partner in energy storage devices built on CATL battery systems - a world leader in the production of lithium energy sources for electric transport and energy.

Eternity Technologies secures Middle East BMS supply deal

October 25, 2024: Lead battery innovator Eternity Technologies has been selected to supply full battery management systems for one of the Middle East's largest cold storage projects.

[Lithium Batteries with >8000 Duty Cycles and 10 years Warranty](#)

Reliable cabinet-based lithium battery solutions in the UAE - ideal for solar storage, telecom, and backup power systems. Our compact, modular battery cabinets offer high-capacity energy storage

[GSL ENERGY Installs 160 kWh High-Voltage Battery Energy Storage](#)

In this project, GSL ENERGY successfully completed the installation and commissioning of a 160 kWh High-Voltage Energy Storage System (HV ESS) in the Middle East.

56 companies for Battery Storage in United Arab Emirates

The UAE has set ambitious targets for solar energy, creating a favorable environment for battery storage solutions that can help balance supply and demand. Challenges in this sector often involve the high

[Middle East Energy , Product Sector , Battery & Energy Storage](#)

The exhibition features industry leaders presenting the latest lithium-ion technologies, flow batteries, and hybrid systems that are transforming how energy is stored, managed, and distributed across the

Solutions for energy storage systems (ESS)

MKC Group of Companies is an official partner in energy storage devices built on CATL battery systems - a world leader in the production of lithium energy sources for electric transport and energy.

Top Middle East Battery Companies & How to Compare Them (2025)

The Middle East is rapidly advancing in energy storage solutions, driven by increased demand for electric vehicles, renewable integration, and industrial automation.

[GSL Energy Lithium-ion Battery Storage System Installed in the Middle East](#)

GSL Energy server rack lithium battery is equipped with intelligent BMS for each battery pack to manage modules effectively. The vertical industry integration ensures more than 6500 cycles
