

Mining inverter manufacturers

Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply

The image features a large white inverter unit on the left. To its right, there is a text box with two lines of text: "Support photovoltaic input and AC mains input" and "Suitable for home energy storage and emergency backup power supply". Below the text box is a framed image showing various household appliances: a range hood, a refrigerator, a gas stove, and a laptop, demonstrating the inverter's application in home energy storage and backup power supply.
