

N Djamena Battery Energy Storage Project

N Djamena Battery Energy Storage Project

[Chad's first utility-scale solar plus storage plant now online](#)

Abu Dhabi-based Global South Utilities has commissioned Chad's first utility-scale solar plant, a 50 MW facility in N'Djamena with 5 MWh of storage to supply 274,000 homes.

NEW ENERGY STORAGE REVOLUTION AT THE PORT OF

We are committed to excellence in solar power plants and energy storage solutions. With complete control over our manufacturing process, we ensure the highest quality standards in every solar

[Conditions for the construction of energy storage solars in n](#)

This project is the Group's first project in Africa to integrate a storage system, ensuring proper integration of intermittent solar energy into the N'Djamena electricity grid."

[Axian Energy signs MoU for 100MW solar plus 50MWh battery storage](#)

Axian Energy, the power and infrastructure subsidiary of the pan-African Axian Group, has signed a Memorandum of Understanding with Chad's Ministry of Energy and Water to develop a
