

New energy storage system welcomes consultation

Overview

The draft amending decree on energy storage systems for electrical energy and storage of energy carriers for electrical energy, which is open for consultation until 28 April 2026, introduces national rules for energy storage systems and the storage of electrical energy carriers. The rules will be .

KITCHENER, ON, March 17, 2026 /PRNewswire/ -- Canadian Solar Inc. (the "Company" or " Canadian Solar ") (NASDAQ: CSIQ) today announced that e-STORAGE, its energy storage solutions business, has entered into supply agreement with a major U. utility for a 500MW/2,493 MWh DC battery energy storage . The document outlines the maintenance of the so-called dual tariff for network usage in battery-powered systems. A ANEEL (National Electric Energy Agency) published this Thursday (12) Technical Note No. The consultation will run from February 26 through April 11, 2025. The proposed methodology quantifies . "The Future of Energy Storage," a new multidisciplinary report from the MIT Energy Initiative (MITEI), urges government investment in sophisticated analytical tools The Journal of Energy Storage focusses on all aspects of energy storage, in particular systems integration, electric grid integration . Ottawa, December 18, 2025- The Canadian Renewable Energy Association (CanREA) welcomes a new Request for Expressions of Interest (REOI) for battery storage in New Brunswick, as announced this week by NB Power, the province's utility.
