RCT Power Battery Module 1.9

The RCT battery is a resource-saving and safe solution for use in private residential buildings. The modular system guarantees flexible retrofitting, thus allowing optimal adaptation to the changes and

Home Storage

Paired with solar modules, the RCT Power Storage provides clean energy and recharges the RCT Power Battery efficiently. The modular design integrates easily into the building environment.

[RCT Solutions GmbH - Solar Manufacturing Engineering - End-to](#)

RCT Group unites its solar, battery-storage,

hydrogen, and finance companies under one roof, applying precision German engineering and manufacturing to deliver bankable, end-to-end renewable-energy

GET A TASTE OF ENERGY INDEPENDENCE TODAY.

With an RCT Power electricity storage unit you store your solar power locally and use it whenever you need it, including night-time and days with very low or no sunshine.

RCT Power Power Battery 1.9 kWh

The Power Battery 1.9 kWh is a compact and modular LiFePO4 storage solution, designed for scalable PV systems. With expandability up to 6 units, high efficiency, and smart monitoring via the RCT

Battery Enclosures & Cabinets

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are
