

Resort uses smart pv-ess integrated cabinet single phase

Overview

To preserve the resort's natural atmosphere, Hanersun designed a customized energy solution, covering the entire process from system design, product configuration, and construction to integration and long-term maintenance. The project is scheduled to connect to the grid in the first . On January 30, Hanersun and Jingxian State-Owned Forestry Development Co. signed a cooperation agreement on developing an integrated PV-ESS solution for the Jingxian Songyu Resort Hotel. EMMA-A02 • A02: Features of PV, ESSs, smart chargers, and smart loads are supported. Both the EMMA and Smart Dongle provide communication capabilities. In the EMMA networking .
