

# SINOMACH Rural Photovoltaic Panels

Voltage range:691.2-947.2V

>6000 cycles(100%DOD)

Rated battery capacity:  
216KWH (customizable)

EMS communication:  
4G/CAN/RS485

## SINOMACH Rural Photovoltaic Panels

---

### Developing green power: new milestones in domestic and

By revitalizing idle rooftop space and harnessing renewable energy, the project will contribute to low-carbon development in Shanxi's Comprehensive Reform Demonstration Zone.

### Phono Solar Australia

PHONO offers reliable solar panel solutions for homes and businesses across Australia. Our panels are built to perform in harsh conditions with long-term durability and high energy output.

### SINOMACH

Sinomach Group is advancing regional green development by harnessing its strengths in clean energy innovation and application. Through landmark wind and solar projects, the group is

### USDA & DOE Solar Energy and Farming Initiatives

The U.S. Department of Agriculture (USDA) and U.S. Department of Energy (DOE) are working together to support farmers and rural communities make informed decisions about renewable energy. These

[Sinomach CMEC spearheads green industrialization with major solar](#)

## Phono Solar

They started their renewable energy business in 2004. The strong background of SINOMACH and the SUMEC GROUP enables Phono Solar to offer a genuine 25-year product warranty on solar modules,

## Solar panels by Phono Solar , Solarity

Installation of the solar panels is suitable for residential, business, industrial, and public projects. Solar systems with Phono Solar photovoltaic modules installed provide high-quality performance over their

With a focus on sustainable development, the company has recently secured major projects that are set to contribute to China's green economic growth. One of the notable

## The Heyuan SUMEC Photovoltaic Power Plant of SinoMach

With an annual power generation of 120 million kWh, the Heyuan SUMEC Photovoltaic Power Plant of SinoMach can reduce CO2 emissions of about 80,000 tons per year, which is

## SINOMACH-INT , LF535-555M10-72H , Solar Panel
