

San diego single solar battery cabinet lithium battery pack

Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply

The image is a composite. At the top, a modern house with a large gable window is shown. Below this, on the left, is a tall, white, rectangular battery cabinet with a small black display on top. To the right of the cabinet is a list of household appliances: a ceiling-mounted range hood, a white range hood, a white range hood, a black refrigerator, a white water dispenser, a gas stove, and a laptop computer.
