

Solar and wind power lights supplier

Overview

We're a USA based designer, manufacturer, and supplier of professional, commercial grade, solar lights and lighting systems. We offer a 10-year, full-product warranty on all our systems, giving you total peace of mind. The EverGen Series is a range of high power solar lighting solutions . Solar Wind Hybrid Street Light combines photovoltaic panels with a compact wind turbine, capturing sun by day and wind at night or in bad weather to keep roads safely lit. Project-ready options include 30-150W high-efficiency LEDs (≈ 180 lm/W), LiFePO4 batteries, 60-720W solar arrays, 200-1000W wind . Greenshine partnered with Balboa Capital, a top-rated direct lender to offer fast, easy, and affordable equipment financing options, helping you preserve your capital and credit line. With over two decades of expertise, we offer a huge range and hold a huge inventory within our own US based warehouse. We don't drop-ship . Learn how FLT cuts your installation costs by over 50% with solar lighting engineered for reliability through rain, snow, or shine. Two of the most widely specified luminaires for pathways, parks and pedestrian environments.

Solar and wind power lights supplier

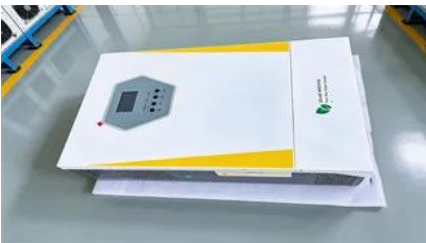

Solar Wind & Lighting

Whether you are starting a new lighting project, need to add new lights to an existing one, or are simply looking to upgrade your solar lights, we have the right solution for you.

[Renewable Lighting Solutions , Commercial Solar Installation , Save](#)

Our lighting solutions operate off-the-grid, delivering 100% renewable solar or wind-power via a maintenance free battery. Using long-life and energy efficient LEDs, photocells, and motion sensors,
