

Solar battery cabinet general agent

Overview

A solar battery enclosure is a cabinet designed to protect your solar battery from outdoor elements. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. Discover our vision for powering the future of energy through cutting-edge solar solutions. Take control of your power with premium solar + storage . In the realm of electrical equipment and supplies, weatherproof solar battery cabinets play a crucial role in protecting sensitive electronics and instruments. Most of our enclosures are designed to NEMA3R and rated for outdoor . Part Number: BBA-1M Manufacturer: OEM Material: Aluminum (Standard), Stainless Steel Available Finish: Mill (Standard), Powder Coat UL Approved: Yes NEMA Rating: 3R, 4, 4X Overall Dims (HxWxD - IN): 20.
