## [Home Power System Install](#)

This is a detailed walk-through of the planning and installation of our 3kW - 5kWH - 120V off-grid solar system that powers a rehabbed shipping container.

## Off-grid container power systems

We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.

## [Solar Container Products , Solar Container Kit & Shipping Container](#)

A solar container (or solar shipping container) is a pre-engineered, transportable container solar system that combines container solar panels, battery storage, and smart energy management for off-grid

## Simple DIY Off-Grid Solar System

Detailed walk-through of the planning and installation of our 3kW - 5kWH - 120V off-grid solar system that powers a rehabbed shipping container. Use to build your own system simply and

## [Instant Off-Grid\(TM\) Shipping Containers with Solar and Batteries and AC+](#)

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

## [How I turned a shipping container into a solar off-grid charging](#)

To make it all work as a solar shed, I'd have to mount the various components around the container. I started with the solar panels, which would need a frame. I used pressure-treated
