

# UK Smart Photovoltaic Energy Storage Cabinet Waterproof

## Overview

---

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet. Our steel and fibreglass (GRP) enclosure products led the way in renewable energy storage. They are engineered to provide essential protection for converters, batteries, distribution systems and associated equipment. In the event of a grid outage, EP Cube will automatically supply power to your home, keeping your devices running.
