

Uganda water pump inverter solar off-grid power generation system manufacturer

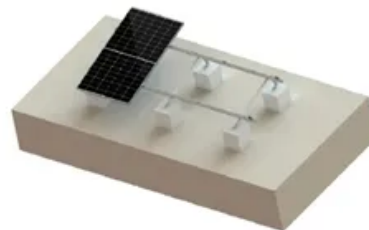

TILE ROOF SOLAR MOUNTING SYATEM

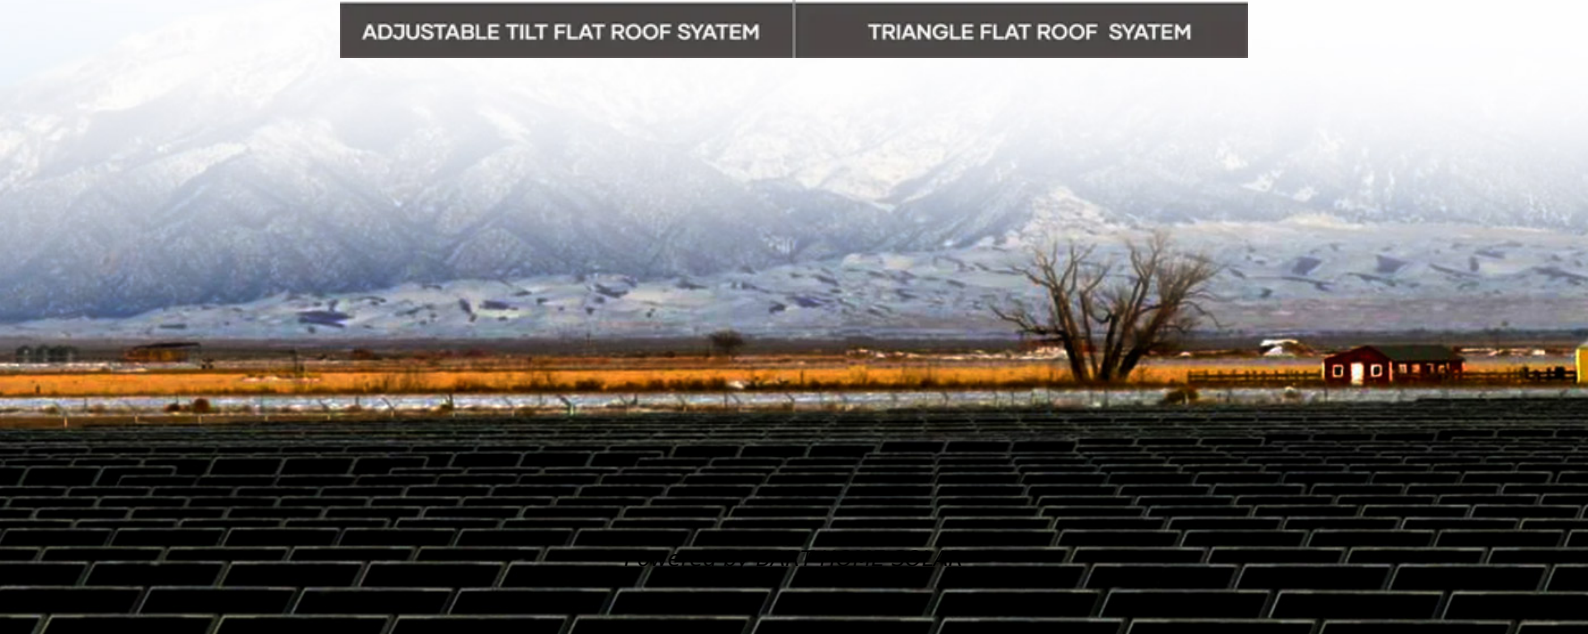

STANDING SEAM ROOF SYATEM

ADJUSTABLE TILT FLAT ROOF SYATEM

TRIANGLE FLAT ROOF SYATEM

Overview

Sprinktech delivers complete water and energy solutions - from irrigation systems, water pumps, solar pumping, boreholes, to backup generators. With more than twenty years' experience in the renewables sector, we bring unparalleled expertise and dedication to every project. From initial design to seamless installation and ongoing . We're excited to announce we've been shortlisted for the 2022 Energising Refugee Livelihoods #AshdenAward for our work creating economic opportunities for refugees through access to clean energy. Solar PV . Lento Industries Pvt. We provide a broad range of solutions for water supply, storage . ClientSmart Charge Controller, Submersible solar powered water pump, Solar Panel, High-density polyethylene (HDPE) pipe, Irrigation connectors, valves and fittings Optimized irrigation solution for up to 1 acre farm.

Uganda water pump inverter solar off-grid power generation system

Ugandan Companies Providing Solar Water Solutions

Aptech Africa Ltd, a solar energy and water pumping company headquartered in Kampala, Uganda, recently designed, built and installed a 59 KW solar powered water pumping project in Kikuube

Solar Nation

We are a leading Engineering, Procurement, and Construction (EPC) company specializing in the design, procurement, installation, and maintenance of solar systems in Uganda.

Energy Systems Limited

The TBB backup power solution offers reliable backup power by utilizing both grid and solar energy for battery charging, unlike traditional UPS systems dependent on grid.

[Solar Water Pumps Manufacturer & Supplier in Uganda , Solar Pump](#)

Find reliable solar water pumps in Uganda from a trusted manufacturer and exporter. High-efficiency solar pump systems for irrigation, drinking water, and industrial water supply.

Solar Pumps

Includes Submersible pump, 50m electric cable, 2 x 340W Solar Panels, controller, 50m (40mm) HDPE Pipe and necessary fittings

Solar water pumping in Uganda

Weis Engineering Ltd is one of the leading solar water pumping companies in Uganda that offers solar water pumping solutions for community use, irrigation, livestock, industrial, and home use.

Power Trust - Power Trust

Power Trust Uganda Limited is a privately owned company, established in 2011 to serve the needs of the growing energy sector by supplying appropriate environmentally friendly products and services.

Water & Energy Solutions Provider

Sprinktech delivers complete water and energy solutions - from irrigation systems, water pumps, solar pumping, boreholes, to backup generators. With branches in Kampala, Mbarara, and Gulu, we bring

Innovation Africa Ltd

Innovation Africa Ltd is a Uganda-based company that provides sustainable water, energy, and infrastructure solutions across East Africa.
